

Leadership Rocky Mount Coats for Kids Project

Many local school-age children do not have coats to keep them warm during the cold winter months. Please help us in our efforts to provide them with coats, hats, gloves and scarves to keep them warm this winter. New or gently used coats, hats, gloves and scarves are needed NOW for K-5 grade school age children. All sizes will be accepted, regardless of whether it is a child's coat size.

Donations will be accepted until January 4, 2012

If you prefer to give a contribution, please make your checks payable to the **RMACC - Leadership Rocky Mount "Coats for Kids"**, 100 Coastline Street P.O. Box 392, Rocky Mount, NC 27802. Your contribution will be used to purchase new coats, hats, scarves and gloves for the children.
